

[illegible]

Architectural cross-section of a house showing the roof, gables, and exterior walls. The roof is gabled with a dark brown finish. The gables are light yellow. The main walls are light yellow. The foundation is grey brick. Dimensions are indicated: 18, 15, 9, 25, 75, 100, and 36cm. Labels include 'opaska gzymsowa s=25cm' and 'detal G'.

Architectural drawing of the front elevation of a three-story building. The drawing shows a symmetrical facade with a central entrance door and two side wings. The central wing has a tall, narrow window above the door. The side wings have larger windows. The drawing includes dimensions for window heights (15, 65, 113) and a base height of 100. A label "opaska gzymsowa s=25cm" points to the base of the side wings. A label "O3" points to the roofline. A label "detal G" points to a detail of the side wing's base.

	<p><i>ściana tynkowana w kolorze NCS 1010-G80Y</i></p>
