

The floor plan shows a large rectangular building with a central corridor. On the left side, there is a long, narrow room (likely a kitchen or service area) with several small square rooms (restrooms or storage) and a larger square room. On the right side, there are several large rectangular rooms (classrooms or lecture halls) arranged in a grid. A small square room is located near the top right corner. The building has a double door entrance at the bottom center.

A line drawing of a house. It has a chimney on the right side, a door on the left side, and four windows arranged in a 2x2 grid in the center. The house is drawn with simple black lines on a white background.

This architectural floor plan shows a building layout with a central vertical corridor. To the left of the corridor is a long, narrow room containing several small, square-shaped units. To the right of the corridor are three main rectangular rooms, each containing two square-shaped units. A staircase is located at the bottom right of the plan, adjacent to the central corridor.
